In celebration of our families and the children we have served since 1999, Euro-Peds' annual "Fun Day" became the 1st Annual Euro-Peds Reunion last Fall. The weather outside was frightful, but thanks to Philip and Jodi Douse who donated the Oakland Yard Athletic Dome in Waterford, MI, for the day, our 200 guests (and their cars) got to spend the day INSIDE a delightfully decorated giant dome filled with activities, entertainment, and lots of laughter. Thank you, Douse Family!
